Quicke - Find spare parts for your front loader and implements

My 1997 3930 has a Quicke 310 loader on it and it looks like the hoses are original. Rubber covers are falling apart wires showing and rusting, no leaks yet....I contacted my local Bushhog distributor (James River Equipment), who seems to handle the Quicke parts supply. The 10 3/8" hoses add up to something like \$900 from them (end connections must be gold). Of course if I order them and they ...
