The Game of Life and How to Play It - Audio Book Architect Of Prosperity Sir John

To this day, people have little idea of Sir John's achievements, which deserve a wider audience. This book fills a glaring void. I hope it will have the wide readership that it most certainly deserves. - Yeung Wai-hong, Honorary Publisher of Next Magazine, Hong Kong I have just read a fascinating new book called Architect of Prosperity by Neil Monnery. It's about the role of Sir John Cowperthwaite, Financial Secretary of Hong Kong from 1961 to 1971 in setting the colony on the road to ...

Architect of Prosperity: Sir John Cowperthwaite and the making of Hong Kong is a book about Sir John Cowperthwaite – the man Nobel Prize-winning economist Milton Friedman identified as being behind Hong Kong's remarkable post-war economic transformation.

Architect of Prosperity – Sir John Cowperthwaite

Architect of Prosperity, the story of Sir John Cowperthwaite and also the story of how he and his predecessors built the government and economy of Hong Kong, is a terrific read (if you're into economic history, of course :)). The protagonist is the Crown Colony; the antagonist is the Britain that has faded away since the fifties.

Architect of Prosperity : Sir John Cowperthwaite and the ...

Praise for Architect of Prosperity – There are figures in history who deserve to be far better known and Sir John Cowperthwaite is one of those. Neil Monnery's account of the way he shaped Hong Kong into a dynamic and successful economy now far more prosperous than its colonial ruler, Britain, is all the more fascinating in the light of the current debate about what drives economic development.

Architect of Prosperity : Sir John Cowperthwaite and the ...

Undoubtedly Hong Kong was in the right place at the right time, but it weathered several setbacks and came out on top because of the prudence of Sir John Cowperthwaite. Get a copy. Read the first half fast and linger over the second half. I read "Architect of Prosperity" as a follow up to "The History of Hong Kong". The latter is rather dry.

Architect of Prosperity: Sir John Cowperthwaite and the ...

This strategy was created and implemented by no more than a handful of men over a fifty-year period. Perhaps the most important of them all was John Cowperthwaite, who ran the trade and industry department after the war and then spent twenty years as deputy and then actual Financial Secretary before his retirement in 1971.

[Read] Architect of Prosperity: Sir John Cowperthwaite and ...

Sir John was a fervent advocate of free-market economics. He was a graduate of St Andrews University where he studied under James Nisbet a well known advocate of free-market economics. While the home country was immersed in the socialist policies of Keynes, Hong Kong's GDP per capita grew from \$19,000 to \$340,000 in almost seventy years after 1948.
