one of the soundest lines of the Sicilian for Black, if not always the most enterprising. White has several options beginning on the sixth move, such as the Richter-Rauzer attack and the Sozin attack.

Common Lines in the Sicilian Defense Chess Opening

The Sicilian is really best thought of as a large collection of systems and variations, all of which begin with 1.e4 c5.

What ' s so special about black playing c5? If you ' ve been studying chess openings, you know that that 1.e4 is one of the most popular opening moves for white, one that immediately attacks the center squares while also freeing up her light-squared bishop and queen for potential development.
