PHIL 182: Social and Political Philosophy. This course examines the norms or principles that establish and justify societies and determine the rights and responsibilities of a society in relation to its own members, of the members in relation to each other and to society as a whole, and of a society in relation to other societies. The course considers the application of these principles to such issues as justice, human rights, political and social institutions, and world community.

Philosophy: Philosophy ...

Social and Political Philosophy: Classic and Contemporary Readings is a comprehensive primary-source anthology of readings on social and political thought. Ranging from ancient classics to contemporary works, this unique text combines the essential classics in the field--including the work of ancient Greek political philosophers and modern social contract theorists--with a significant amount of contemporary work on issues pertaining to poverty, drug legalization, multiculturalism, race ...
